The Christmas lights on this house are timed to light as Amazing Grace is played. It's very interesting because as it progresses it turns into a techno-rock beat. Go to YouCanWin.Com and use 'fun stuff' in the keyword box. Scroll down to 'Amazing Grace House.'

I really don't think I'm a sadistic person, but half way through this video, after the totally shocking event happens, I cracked up laughing. Then it got uncontrollable, after the second event and seeing the results, I lost it. You just have to decide for yourself, but I guarantee you will show it to several other people out of disbelief. <http://travisab1.multiply.com/video/item/228>

This is a very cool aerial tour of our countries most iconic locations. Kinda difficult to tell exactly how much is CGI (Computer Generated Images) but it really doesn't matter. It has a very good music track for the 5 minute tour so turn up your speakers. http://www.youtube.com/watch_popup?v=KcuDdPo0WZk

This is just a hilarious real current country performers version of not so great a day in his life. <http://www.youtube.com/watch?v=0pujenWy-rM&feature=g-vrec>

This is a wacky couple of guys performing a comedy bit that is very creative. Just mindless entertainment. <http://www.youtube.com/watch?v=L-bhZpcrwgU&feature=related>

This is Ray Stevens in one of my favorite musical videos. It's a classic. http://travisab1.multiply.com/video/item/73/The_Mississippi_Squirrel_Revival.flv
