

A tall, conical Christmas tree constructed from numerous clear glass bottles of Patron tequila. The bottles are arranged in a tiered, triangular pattern, with the widest at the base and the narrowest at the top. The tree is decorated with multi-colored lights (red, green, blue, yellow) and silver tinsel garlands. At the top, there is a small, ornate tree topper. The background features a brick wall on the left and a decorative sun with a face on the right.
