

Free Puppy, Please Help

Drew Mcleod of Paradise Grill and Bar has a puppy to give away.

It's part dachund and part... well... parts unknown, but it's great with kids and it's house broken and smart as a whip. Drew's wife just says that it stares at her, and gives her the heebie jeebies.

If you would like it or know someone who would, feel free to call Drew at the restaurant, just do it before 11a and after 2p, 224-2742.
