

Urine Tests

From AN AMERICAN TAXPAYER

Like a lot of folks in this country I have a job. I work, they pay me. I pay my taxes and the government distributes my taxes as it sees fit.

In order to get that paycheck, I am required to pass a random urine test, with which I have no problem.

What I do have a problem with is the distribution of my taxes to people who don't have to pass a urine test. Shouldn't one have to pass a urine test to get a welfare check, because I have to pass one to earn it for them??

Please understand, I have no problem with helping people get back on their feet. I do on the other hand have a problem with helping someone sitting on their ass. Could you imagine how much money the state/country would save if people had to pass a urine test to get a public assistance check?????

Hope you all will pass this along, because something has to change in this country and soon!!!! "

Please pass this along to your Representatives and Senators if you agree. You can go to YouCanWin.Com Keyword "fun" and click on the link titled "Urine Tests" copy it by right clicking and "save as" (what you want to title it as) to your desk top.
